

Open Position: Account Manager, Weight Management

DPS develops and deploys internet-based programs that help individuals adopt and sustain healthy habits and is recruiting for a part-time employee:  
Account Manager, Weight Management

The Account Manager will provide commercial support to medical providers deploying our innovative and interactive on-line weight management program called the Virtual Lifestyle Management service (VLM). ([www.DPSHealth.com/vlm](http://www.DPSHealth.com/vlm))

The account manager will be a customer's DPS point person responsible for:

1. Ongoing commercial support to the providers' team of administrators and clinicians responsible for rolling-out and evaluating the VLM service during all phases of the roll-out (planning, piloting, evaluating, fully implementing);
2. Assuring the smooth implementation of healthcare providers' VLM clinical and economic evaluation;
3. Training and supporting the healthcare providers' coaches who provide on-line coaching to enrolled patients;
4. Providing on-line coaching to a limited number of patients enrolled in the VLM.

#### Requirements

Degree in patient serving discipline (e.g. Nursing, Nutrition, Health Education, Social Work)  
At least 5 years experience in outpatient healthcare settings. As the role is customer facing, the candidate should have experience in quality improvement, business processes, sales/marketing and/or administration and feel comfortable interacting with customers.

Salary will be commensurate to the person's background and experience in the range of \$ 30- \$45 per hour. The position will be about 20 hours per week with the possibility of full-time in several months. The position reports **within sales and business development**.
